

THE LIBERAL / Santiago / #AUDIENCIA

Governor Zamora received Emirates Focus Group CEO Dr. Tahnoon Nimer

The meeting took place in the Hall of Agreements of the Government House.

25/01/2021 - 13:29 Santiago

The **governor of the Province, Dr. Gerardo Zamora**, received at the Government House Agreement **Hall** the protocol visit of **emirates Focus Group (CEO) of the United Arab Emirates, Dr. Tahnoon Nimer** and the Director of **International Business Development, Maria Avila**.

During it, a framework agreement of understanding was signed for the development of **potential production, commercial, industrial, tourism and/or sports projects in the Province of Santiago del Estero**.

They accompanied the first provincial representative, the Chief of Staff of Ministers, Elías Suárez; Minister for Justice and Human Rights, Dr. Matilde O'Mill; Minister of Government, Security and Worship, Dr. Marcelo Barbur; Minister of Production, Natural Resources, Forest and Lands, Med. Vet. Miguel Mandrille; Minister of Economy, CPN. Atilio Chara; Minister of Health, Mr. Natividad Nassif, Minister of Education, Science and Technology, Dr. Mariela Nassif and Minister of Social Development, Dr. Angel Niccolai.

The words of welcome were given by Dr. Gerardo Zamora, who, meeting Dr. Tahnoon Nimer, thanked him for the extensive visit that the entrepreneur had in different sectors of the Province, "It is a pleasure to receive him personally," the Governor said, "I hope you have had a great stay in Santiago del Estero", he stressed.

At the same time, the First Provincial Representative gave gifts characteristic of Santiago del Estero to Dr. Tahnoon Nimer, including a hype and the book of Santiago. In addition, the CEO received a T-shirt from Club Atlético Central Córdoba, which was delivered by its president, Ing. José Alfano.

In addition, the Director of International Business Development, María Avila also received a gift in the hands of the Governor, being a handmade blanket woven by Santiagueña teleras.

Emirates Focus Group CEO Dr. Tahnoon Nimer then did the same with Dr. Gerardo Zamora and, as a thank you for the cordial welcome and warm stay in our Province, gave him typical objects from his country and a scarf from the AL Ain Sports and Cultural Club.

Framework Agreement of Understanding

On the occasion, the Governor of the Province, Dr. Gerardo Zamora and the CEO of Emirates Focus Group of the United Arab Emirates, Dr. Tahnoon Nimer signed a framework agreement of understanding for the development of potential production, commercial, industrial, tourism and/or sports projects in which the parties express their willingness to generate collaborative links between them to promote the realization of potential investment, productive, commercial, industrial, tourism and/or sports projects in the province of Santiago del Estero.

It is important to note that such an agreement will be valid for two years from the date of this, and it is optional for the parties to renew it by common agreement. In addition, the parties agree to help each other and strive for the development, financing and construction of projects in Santiago del Estero that the Province deems appropriate to promote.

Subsequently, Emirates Focus Group commits its best efforts to study potential productive projects in the Province, in order to propose to the Province the implementation and development of joint activities in the orbit of its competences and legal frameworks, in particular: projects linked to the Pacific Ocean Corridor, for the development and implementation of relevant infrastructure. Projects to implement efficient and sustainable energy in cities developing information technologies for citizens; expand international hotel capacity, as well as training to implement improvements in hotel services and elevate the positioning of the local offer.

Promote cooperation ties between the Rio Hondo Thermal Airfield and Abu Dhabi's approved entity to enhance links and international positioning activities of the autodrome.

Promote, too, special meetings / trade missions aimed at promoting strategic projects of the province, technological transfer, direct and / or indirect investment, opening markets mainly to the countries of the Gulf, Mena and others of Africa, through meetings and business wheels promoted by the Abu Dhabi Chamber Of Commerce in united Arab Emirates for entives composed of bernative and / or private entities in the phases that it agrees.

Then, promote the expansion of markets through the internationalization of local products and consequent implementation of improvements in local productive infrastructures; development and establishment of logistical support in the United Arab Emirates as well as distribution for the GCC Region (Cooperation Council for Gulf Arab States) and/or Mena (Middle East and North Africa). And to conclude partnership agreements with local producers with a view to promoting the export of food to Egypt, Yemen, Licia, Afghanistan and the United Arab Emirates. In addition, in subsequent phases, the improvement and expansion of productive and industrial capacity.
